Mike Gardels

Husband, Dad and Grandpa.

Words cannot do justice to the love that we the Gardels and our extended family have for Mike. He loved all of us. He was genuine. For those of you who knew him, we are certain he entertained you to the degree he did all of us. We miss him dearly. He loved his family, his farm and his cattle. He was honest. He is in heaven today and forever. He raised cattle for the best interest of the people he did business with. Thank you all for your thoughts and prayers this past year. The Gardels Lazy Four Operation will always lean on Mike's influence. He is proud today to see you the customer here with the family and he is also proud of his herd and the next generation of Gardels Angus.

Gardels Angus

Dear fellow cattle producers,

We would like to welcome you to our 2021 bull and female sale. We would like to thank all of our past customers and welcome to new faces. This year's sale is different without Mike here. We miss him but enjoy comfort as we know he is with our Lord and Savior, Jesus Christ.

We are excited to offer 74 yearling bulls and 29 fancy heifers. This is the most uniform set of bulls we have offered. They are stout, thick topped, deep sided and sure footed. The bulls have been developed the same way they always have. We do not creep feed in the summer. We do not push the bulls to reach scale crushing yearling weights. We develop our bulls so that they are not fat, have sound feet, docile, and ready to go to work for you for years to come.

The bulls will be fertility tested and come with a first breeding season guarantee. We will keep the bulls after the sale and deliver to you free of charge. Please leave your preferred delivery date and contact information with Jill in the office when you settle.

Please plan to join us on March 20 at Huss Livestock Market in Kearney. Come early and enjoy one of the best bull sale dinners around from MBR BBQ.

If you cannot make it to the sale, you can watch online at www.cattleusa.com or call Matt 308 991 1819. We are grateful for your interest in Gardels Lazy Four genetics.

Sincerely, The Gardels
