

2025 ANNUAL SALE
Saturday March 15th
1:00 PM Huss Livestock Market
Kearney, NE

2025 SALE INFO & ANNOUNCEMENTS

- A sale preview will be available for viewing Friday afternoon of March 14th and up until sale time. You can view videos of the bulls and the sale order at gardelsangus.com
- We will be hosting a complimentary lunch by MBR BBQ on March 15th at 11AM before the sale begins.
- Liability: All persons attending the sale do so at their own risk. Neither the owner nor his agents assume liability, legal or otherwise, for any accidents that may occur.
- Gardels Lazy Four Angus is retaining 1/3 semen interest on all bulls — full possession and full salvage value sell on all bulls

FELLOW CATTLEMEN,

Welcome to our 2025 annual bull and female sale. We would like to thank all of our past customers for your trust in Gardels Lazy Four Angus.

It is an exciting time to be in the cattle business! With record prices at the sale barns, it is essential that you get everything out of that mama cow. Breeding her to a Gardels bull is a good first step to receiving that big pay day, by raising a calf that is born easy, grows well, and is phenotypically correct.

Gardels Lazy Four Angus is a family operation that has been raising registered Angus cattle since 1960. Throughout those years we have made it a priority to raise cattle that will work across the entire beef sector. We raise our own replacement heifers, sell bulls, sell replacement heifers and sell the steers that do not make the bull sale. Having a balanced cow herd is crucial for us to raise our own replacements and sell bulls that will improve your herd. We utilize A.I. to introduce different genetics into our herd. Our goal is to make daughters that will turn into great cows and raise bulls that share those maternal traits as well as grow and perform for our customers. Raising docile cattle is also very important to us. You will notice when you walk through the bulls, that they are not high headed, flighty or mean.

These bulls will be ready to work for you. They receive no creep feed in the summer. They have been vaccinated with Viral Shield 6 plus 5 and have passed a breeding soundness and semen check.

We would like to thank you for your interest in Gardels Lazy Four Angus genetics. We realize there are many different choices to buy Angus bulls and are honored you have given us a shot at improving your cow herd.

Come early and view the bulls on Saturday, March 15 at your leisure. Don't forget to join us for a beef lunch before the sale starting at 11:00 A.M. If you are unable to make the sale in person, you can view it on www.cattleusa.com or call any of the sale representatives, or call Matt at 308-991-1819 and we will handle your bid as if it were our own.

Sincerely,

The Gardels Family

BULLS

Bulls are organized by sire groups in numerical order within each sire group.

Breeding Injury Guarantee: Our bulls are guaranteed through the first breeding season. Please contact us when possible if you have issues with your bull.

EPDs: Current as of February 17th as reported by the American Angus Association.

Fertility: All bulls will have passed a fertility test and have scrotal measurements done by Dr. Allen Stones at Northgate Veterinary Clinic, Kearney, NE.

Sight Unseen Purchases: If you are unable to make it to the sale, get in contact with Matt at 308-991-1819 or any of the other sale representatives.

(The sale will be available to view and online bidding at cattleusa.com)

Sale order will be released the day before the sale at gardelsangus.com and on site.

DELIVERY

We will board and deliver our bulls for free within the state of Nebraska.

Please give the clerk your preferred delivery date and contact information when you settle on your order.

Receive a \$100 credit per bull on your order if you decide to take home your bull after the sale. *(Credit only applies toward bulls)*

Ref Sire: LAR Man In Black

Sired By: Bar R Jet Black 5063

Reg #: 19955191

- Man in Black is an ABS bull we used to A.I. cows
- These sons are thick topped and long bodied
- They offer explosive growth with a balanced EPD profile
- We calved some Man in Black heifers this winter and they are excellent—maternal made, great udders, and great disposition
